Until We Meet Again

Each morning when we awake
We know that you are gone.
And no one knows the heartache
As we try to carry on.
Our hearts still ache with sadness
And many tears still flow.
What it meant to lose you,
No one will ever know.
Our thoughts are always with you,
Your place no one can fill.
In life we loved you dearly,
In death we love you still.
There will always be a heartache,
And often a silent tear,
But always a precious memory
Of the days when you were here.
If tears could make a staircase,
And heartaches make a lane,
We'd turn back the hands of time
And bring you back again.
We hold you close within our hearts,
And there you will remain,
To walk with us throughout our lives
Those warm memories will remain.
That fragile life chain is broken now,
And nothing will be the same,
We will all smile when we think of you,
Until we meet again.
