Did you Know?...

-  Grants do not have to be paid back.
-  Grant amounts vary by income level of the household applying and by fuel type.
-  If you live in subsidized housing and your heat is included in your rent, you are not eligible for a MEAP grant, but you may be eligible for a EUSP grant.
-  In order to get an EUSP grant, the Electric bill must be in the applicant's name and you must agree to a budget billing payment plan.
-  Continue to make payments on all your energy bills so you will not get behind on these bills.

OHEP

The **Office of Home Energy Programs (OHEP)** provides assistance to Maryland's low-income households to help you stay warm, stay connected, and help pay past due energy bills.

STAY WARM

The **Maryland Energy Assistance Program (MEAP)** provides financial assistance with home heating bills. Payments are made to the fuel supplier and utility company on the customer's behalf.

STAY CONNECTED

The **Electric Universal Service Program (EUSP)** provides financial assistance with electric bills. Eligible customers receive help that pays a portion of their current electric bills. Customers who receive EUSP are placed on a budget billing plan with their utility company. Budget Billing is a tool that utility companies provide to help spread out year annual utility bills into even monthly payments to avoid spikes in your bill caused by seasonal fluctuations in energy use. Please check with your utility company on eligibility requirements and budget billing policy.

PAY PAST DUE BILLS

Arrearage Retirement Assistance helps customers with large, past due electric and gas bills. If eligible, customers may receive forgiveness of up to \$2,000 towards their past due bill. Customers must have a past due bill of \$300 or greater to be considered eligible. Customers may only receive an arrearage grant once every seven years, with certain exceptions.

AVOID TURNOFFS

The **Utility Service Protection Program (USPP)** is designed to protect low-income families from utility turn-offs during the heating season. All MEAP eligible customers may participate in USPP. Participation also requires a year-round even monthly budget billing. Failure to make consecutive payments may result in removal from USPP.

A MORE EFFICIENT HOME

Weatherization and Energy Efficiency Services- Customer information is referred to the Maryland Department of Housing and Community Development (DHCD) for programs that can provide improvements and repairs to homes at no cost. Improvements such as furnace clean and tune, added insulation, and energy efficient light bulbs can help lower utility bills and make the home more comfortable. DHCD's energy efficiency and weatherization programs support the EmPOWER Maryland Energy Efficiency Act. For more information, call 1-855-583-8976 or visit dhcd.maryland.gov/Pages/EnergyEfficiency.
